What a win for the Portland Panthers! Thanks Panther fans for all the calls. Yes it was a huge win over an excellent team! Trousdale County, Beech still hot. Would love to hear from White House, Heritage, Macon county. Tell us about your team and we will tell many many more!! Come on MTSU fans. How's our Dewayne Alexander and his Tech team after the big TSU game? TSU and Tennessee Tech played at Nissan Stadium for treat to fans enjoying all that parking and all those seats.

Thanks to Zac and his professional staff for the fabulous piece he did on me and the Gallatin Green Wave. Be listening for Zack to appear as a big time media name soon. Too much talent there not to go sky high very soon!

Hey hockey fans, grab your shirts, and head for Bridgestone. The Preds are skating in a brand new season!

Portland volleyball team excellent this season. Thanks for all the information. Two million dollars for soccer complex in White House.

In many many years of playing and broadcasting sports on all levels, never have I seen anything quite like the happening at the end or near the end of a sports event. It was scary. First Tennessee played horrible, but near the end still had a chance. But the feelings of fans against their former coach and apparently some of the calls they disagreed with, it was a scary moment at the end of Tennessee and Ole Mississippi football. Many many fans were escorted from Neyland stadium. The one last throw that the Vols never happened. The Tennessee quarterback was injured and his replacement came on. But never threw the pass as time ticked away and the clock ran out. Ole Miss given the win. Now many questions must be answered in America as to how something like this could happen. It's more than a football ending. It's time we all looked in mirror and asked. How could capital be overrun by thugs. How could a college football winner be awarded in a contest ended with the field of play being littered with bottles and one little golf ball filled with hatred. Ole Miss and their coach, former U T coach) escorted away with a win!! What happens next in sports and in America!!

I have broadcast many many games, but none that ugly. Blame the officials, fans, cosches, security. Do not punish the players or school for the actions of some. Officials should have stopped the actions for a big time out before it got that far. Where was that crew from. Plus the broadcast crew spent too much time trying to be cute instead of describing the action!

If they punish the school (most not from student section), how about throwing a little punishment to the crew on the field and the broadcasters who sound like they had never been in Tennessee. How many of those things thrown might just might have come from visiting section? Just asking. The Vols were making a great charge, yes, coming back!

If you want to talk about your team, a special coach or player, or big events, then let us know at Let's Talk Sports! ### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
