Storms and virus causing problems for sports. King of the smokies basketball for guys in green and gold. Yea. Gallatin.

Major controversy in Vols game. Losing with questionable call in overtime. Sixty nine thousand at game.

Alabama looks like it will take the college football top spot again. Making Gallatin police chief Don Bandy, Barry Wells, Greg Aires, Chris Brazil, and many more Gallatin fans so happy.

Tommy Crafton of Portland keeps us up on Panther sports. The great Jerry Richmond passes Trousdale county information to us. Attorney Darryl Troutt, former Westmoreland great, tells us of all sports that direction. We talk with the great one, Eddie Sherlin, on Station Camp and more. Phil Byrd, the former Green Wave, passes Gallatin information along. Bob Pritchett of Franklin Simpson fame keeps us up on all Kentucky information. So many great neighbors pass along Tennessee, Vanderbilt, Gallatin, Vol State activity and much more. Thanks to all plus some I have missed. So great that former Union All Stars keep us up. Luck to coach Rusty Melvin and his AD Bobby Hudson at Volunteer state. Titans, Preds, look fine in Music City. White House, Beech, Macon County fans are great. Lots of readers in Simpson and Allen county Kentucky. Thanks to all. Bill Buntin. Let's Talk Sports!

Kentucky great win.

Titans now top seed. Yes Kansas City got beat. Plus Indy got beat. Yea we finally get a winner. Titans at home this week Support our team. I see many fans from our area at games.

Gallatin Hall of fame Fun soon at Gallatin high. Portland hall of fame just named new members. Would like to have names to honor them.

If you want to talk about your team, a special coach or player, or big events, then let us know at Let's Talk Sports! Reach all of our wonderful friends and neighbors with your message by advertising in the Country Trader!! You can place your ads on-line anytime!

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
