Looking for local teams? Follow the Wave, Beech, Portland Panthers, White House, and Heritage. Check out East Robertson, Westmoreland, Franklin Simpson, and Allen County-Scottsville, Trousdale County, Macon County... Lots of great high school play.... plus Vol State, Western Kentucky, Vandy, MTSU...support local teams.

Here's a fun question. Name five basketball players from mid sixties that could beat these five. Eddie Sherlin, Roy Jackson, Joe Malone, Bill Buntin, Sam Jackson. Come on play the game in your mind. Five on five basketball!!!! Local, Middle Tennessee, or Southern Kentucky players. Fun game.

Lady Vols keep winning. Now top five in country! Vandy men and Women go down. Kentucky men to number two, nationally ranked Auburn coached by Bruce Pearl. Portland high playing big games. Gallatin and White House full speed. Beech men and women on fire

Talked to coach Joslin and coach Alexander that did radio and tv coaches shows with. Enjoyed shows with coach Short and coach David Martin. Did pro basketball shows with Jan van Breda Kolff with good memories.

Rumors fly about Bill Ligon and Eddie Sherlin doing a movie. UNION???

Lots of fireworks in pro playoff. Titans lose heartbreaker. Brady and Tampa lose a thriller. One of the most exciting football contests, Kansas City wins in Overtime.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
