**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Hello friends. Welcome to Let's Talk Sports. This is Bill Buntin with Gwen, the Trader manager, reminding you that you can advertise your business and events and sales in 2022 in the Trader for a reasonable price to fit your budget, and you can place your business ads or classified ads online at [www.countrytraderonline.com](http://www.countrytraderonline.com), and for Pat, owner of Coverups Custom Sewing. Call Pat for pillows, bedspreads, coverlets, all type alterations. Serving all of Middle Tennessee and southern Kentucky with pickup and delivery!

Shane Duke is the person to see in Gallatin for summer baseball. Ask Cherokee who we saw play the Reds in the World Series. Beech boys and Westmoreland girls, two powerful teams to watch in z regional play. Bill Alexander named Head football coach at new Liberty high school in Sumner County. Memphis Havenview upset Station Camp Middle School. Coach Jeremy of Station Camp proud of his team! Coach finished his 18th season of coaching Middle School basketball. 21 wins this season for coach Bartlett.

My neighbor, a professional fisherman, tells us that fishing in our area now really fine. So Smith County, Trousdale county, Wilson and Sumner county great places to fish. Good luck!

Titans coach Vrabel named Associated coach of the year. Also gets contract extensions. New stadium for Titans is the hot talk. Who will pay for it? Yes, new soccer stadium is nice. Big time Soccer is here.

Marie Adamson former Panther great and the best Vol State womens team ever.

Tennessee and Vanderbilt both win first baseball game of the season.

Huge outdoor ice rink on Nissan Stadium will take place soon.

Racing is back. Enjoy the season. Our hockey team in a spin. Yes, the Nashville Sounds baseball bunch look strong.

All parents and little guys and gals are welcome to little league baseball in Portland, Gallatin, Hendersonville, White House, Trousdale County, Macon County, Westmoreland. Yes, little folks baseball available in all our area. We have great parks for them to use.

The golfers out at country clubs. Open courses in Gallatin, Kenny Perry's place in Franklin, Kentucky. Golf leaders like the Eddie Sherlin, radio personality, The Cheese from Trousdale County radio, Les Hinton in Portland, Steve Sudbury, big time business man and big time golfer. Are there many public courses in Middle Tennessee and Southern Kentucky for the weekend players ??

Yes, several fishing tourneys, in Gallatin, Lebanon, Carthage, Kentucky Lake near Scottsville, Kentucky, of course several on Percy Priest. Let us know about your events so we can tell hundreds.

Steve Fann, local big time business man, a huge supporter of local sports events.

Yes, the Nashville Sounds and Bowling Green Hot Rods pro baseball teams are loaded. They are local with all kinds of future stars. It's affordable entertainment. Check them out.

Seeing Bobby Ridings name in the news. Bobby, a local baseball player for years, a star sports announcer, great bowler, that even worked with Columbia, a hot bowling company. Speaking of Ridings, relative of the great player and star, Pat Webb, plus Mike Ridings, nice basketball player who could leap. Mike great expert on most any local sports event and a buddy to big Jim Morris known world wide as Hilly Billy Jim. Yep! Jim ate several home cooked meals prepared by Pat Edens Buntin. Jim's story is a great one, how he was discovered by the late Togo Yamamoto, and going on to become an international super star. Speaking of pro stars...many stars came thru the Jarrett Mansion in Hendersonville, home of Jerry and Jeff Jarrett. Promoter.

Bruce Pearle and his Auburn Tigers upset by Florida in exciting men's basketball. Gonzag moved to number one in the national polls. SEC with four or five teams that could make a run. South Carolina top women's team in the country.

One of the worst officiated games...you know which I mean.

The Vols play poorly. Arkansas on top.

Lady Vols and our men lose., but the power hitting baseball team lite up the scoreboard. Vandy men and women roundball bunch lose, but that super baseball team on fire.

Well the Olympics are over. All kind of surprises.

Tempers flare after Michigan loss in basketball. Former NBA star now coach in hot water.

### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
