Preds playing great hockey. Preds can clinch playoff spot. Our Nashville Sounds baseball great place to catch a fine game. Bowling Green Hot Rods, pro baseball, nice easy drive for us. Yes, our new soccer pro team has their beautiful new stadium!

Local schools sending high school stars on to play in college. Tech. Cumberland. Peay. Vandy. The Vols. State getting our best.

Jack Sudbury winning ways continues. One of state and regions top young golfers. Keep an eye on Jack Sudbury. Shelbyville was great finish for Jack.

So proud of red hot Portland high baseball team.

Will we get a new domed stadium?

Millard Oakley, a big time supporter of community and sports in Upper Middle Tennessee and state-wide. Uncle of former Gallatin Junior high coach Bill Johnson and brother in law to late football coach at Portland, Edgar Johnson. Millard supported so many sports events and teams for so many years.

I understand Scottie Cline, former Portland great, is now a big time umpire. Thanks to a tip from well known expert, David Hodges.

Arch Manning will sign with Texas is the prediction now. However, we will see. Everyone talking about this high school star with all the family members who were stars.

Big win for the Vols over the Gators. What a fantastic catch to win the last game in Florida and Tennessee series. Vanderbilt baseball, super game over Kentucky. A no hitter by Vandy staff.

Lance, my pro fisherman neighbor, said tough tourney in Guntersville, Alabama. Site is great, the fish were not hitting.

Dores clinch Kentucky series in baseball.

Titans have the 26th pick in football draft this week.

Auburn vs The Vols this week. Vanderbilt baseball red hot again!

A black investor wants to buy major league baseball team to move to Nashville. Where would they play?

This area has Vanderbilt sports. Now Western Kentucky, Belmont, Lipscomb, MTSU Murry, TSU, Austin Peay, Cumberland... all close to you who enjoy sports. Sounds, Hot Rods, Preds, The Titans, racing. We are lucky to have high school play, plus college and pro, including big time soccer and racing. We are lucky sports fans. Yes, lots of water for fishing, plenty of tennis courts, golf courses. Are we missing anything in our immediate area???

Marcel Reed going to Ole Miss as quarterback. Coach Reed former TSU head coach is his dad. Lady Vols pick up three super transfer players in basketball.

LET THE COUNTRY TRADER HELP YOU MARKET YOUR BUSINESS IN PRINT AND ONLINE WEEKLY!

LET THE TRADER HELP YOU MARKET YOUR BUSINESS OR EVENTS IN PRINT AND ONLINE!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
