Hello friends. Welcome to Let's Talk Sports. This is Bill Buntin with Gwen, the Trader manager, reminding you that you can advertise your business and events and sales in the Trader for a reasonable price to fit your budget, and you can place your business ads or classified ads online at [www.countrytraderonline.com](http://www.countrytraderonline.com), Call Pat, owner of Coverups Custom Sewing for pillows, bedspreads, coverlets, all type alterations. Serving all of Middle Tennessee and southern Kentucky with pickup and delivery! Scottie Cline, a friend of Tommy Crafton, and Panther great, is calling College World Series games. Nashville schools starting a girls football league. Minguel Almendarez player, coach, now sports talk show host. Catch him Saturday mornings on Portland fm radio. Arch Manning will go to Texas as their Quarterback. Our great guard for the Vols basketball team did not go in the first round. People kept telling him to leave Tennessee early and he would go in the first round. I saw big, really tall guards going ahead of him. Will watch his future. Scottie Pippin of Vandy drafted by Los Angles in NBA. Kenny Chandler, of Tennessee basketball fame, signs with Memphis in NBA. The Super Speedway bigger and better in Wilson County. Just few minutes, racing three days. New partners with the Predators hockey team. Local group in Nashville looking to have racing at Fairgrounds. Ground wants to have Major League Baseball team in Music City. Pro football unhappy with Titans stadium because it has no roof. Does that mean they will build new, all purpose, roofed stadium, plus one for Major League Baseball? Wilson County has land off interstate headed toward Knoxville. Disney looked at that for theme park? Will the Titans get a new stadium? Will this area get major league baseball. What would happen to Sounds and Hot Rods in Bowling Green? Great turnout for auto racing in Wilson County at Super Speedway. Will our new Liberty High School have teams playing this year? Cheese tells me Trousdale County should be hot this football season. Portland excited with new coaches. Gary and Kaye excited about daughter now moving from East Robertson to Franklin Simpson Ky. Darryl Troutt, former Westmoreland great, tells us good things happening. White House area teams move up as population explosion in White House. Thanks for the calls Macon County. Pope John Paul looks excited about football! Catch former coaches doing sports talk on Portland radio. Plus the Cheese is excited about his time on radio with Trousdale County's Yellow Jackets. WHIN giving coverage on air and on line. Catch the coverage of White House and Franklin Simpson. Remember the slow pitch softball days of battles... Fanns Market, The Travelers, Rochelles, many more. The women led by Kim Grizzle and mom Shirley Parks were full nights and weekends. Do we have slow pitch around our area? Still monster tourneys in Chattanooga and Knoxville. Do you remember the best basketball player, the best football player, baseball player, softball player, golfer anywhere in our area, male and female. Biggest sports crowd you remember locally. Was it the Tobacco Bowl?? A big football game between two power house teams. Conway Twitty softball tourney? Tell me, it must be local. John Madden, football great and tv great, has died. Springfield girls team win 14U state softball tourney. Yes a great young player from Gallatin was on that team. Mackenzie Williams super softball player. Nyla Boone super softball player from Gallatin. If you have a favorite softball or baseball team, just let me know and we will put it in the Country Trader. What a finish between Oklahoma. Old Miss wins National Baseball Championship. Storms came and left at Super Speedway. Delays left, but that finished. Hamlin looked great. Rumor has Wilson county, now the site of our state fair, might have land for even more sports events and teams. Will horse racing, boat racing, tennis events, would pro basketball take a look, pro boxing, street racing... yes... possibly bigger golf events. Nashville ready to spread their wings. Do we have the room in Wilson, Sumner, Robertson, Rutherford, Williamson, counties to build. If you build, they will come??? WNFC. Yes the Trojans women's tackle football team wants you as a supporter. Tell me what you think. Manning is gonna play for Texas but remember its still a year away. Number one pro pitching prospect says no, that he will go to Vanderbilt and play for the Dorees. Storms were tough on our big race in Wilson County, but it's a super place here in Middle Tennessee. Lots of events could be held there.

## Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

## Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

## Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

## Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

## Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

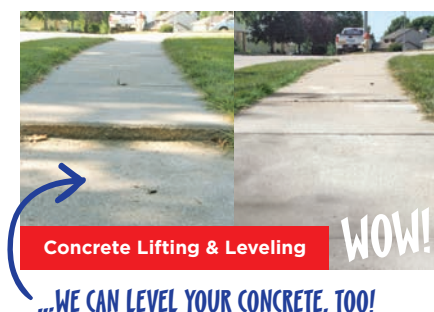

## Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
