COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

Hello and welcome to Let's Talk Sports here in the Country Trader and online as well. Our General Manager, Gwen can help you promote your business, Place your ad on line at www.countrytraderonline.com. Talking Sports brought to you by Cover Ups Custom Quilting. Beautiful bedding or pillows or any sewing needs. BTW..Gibson Furniture has beautiful furniture. Why fight big city traffic? Let gibson Furniture show you the finest and let Pat do the spreads, converlets, or pillows..great combination! Now, speaking of combinations in this a new year, I am Bill Buntin with broadcast experience on many sports TV, Radio, high school, pro and college. I would love to hear about your town, team, and players. First, congratulations to Dewayne Alexander, our new head football coach at Tennessee Tech, to athletic director Bob Hudson, head men's coach and former Globetrotters guy, Coach Lee of our women's team. Here is a special invitation to see great college basketball at Volunteer State..and it's free..that's right free. Tremendous, exciting players, plus Coach Rusty Melvin for our men is so excited about the rest of the season. Catch the games on 88.5 fm and channel 19 local cable. Several of our area high school teams are hot, including Franklin Simpson County, Kentucky led by Tyler Pritchett. Gallatin Green Wave coming on strong in basketball for guys, Macon County, and several more. Tennessee women unbeaten. Vols men look good. Cumberland in Lebanon working extra hard. MTSU tough men and women. Lipscomb and Belmont can shoot the threes. Vandy men and women in a struggle right now. Western coming off fantastic football always a national power in basketball..men and women..Kentucky football lost a Music Bowl championship on a very questionable call. This is the week we all wait for...to see if Alabama can make local fans like chief Don Bandy and insurance executive Barry Wells happy. Tennessee loses a good one leaving early in Kelly, but picking up great recruits. Austin Peay signed the head football coach, which was a smart move. Titans shocking many fans that expected more.....what a close, thrilling win! Our hockey team up and down, but count me in to say it will be Preds magic at the end. We now have a Triple A soccer team playing in Sounds stadium, and in three years we will have a major league soccer team and a huge new stadium. Nashville has become one of the elite pro towns, which means surrounding areas can enjoy their sport. Now, just get racing and bring back those great golf tourneys. Vandy will be fighting back in basketball and football and already are tops in baseball. TSU great place to see football and some of the country's best track stars. White House and Portland State Titles in soccer and volleyball. Memphis in NBA starting to play better. Great playing fields for the young ones. Fantastic former pro, Eddie Sherlin said if only we had this opportunity and facilities in my time. My boys can fish, play high school baseball, swim. The youth and their families in our area need to realize how lucky we are in this area to play and see all sports..and good coaching. SEC proud to have the top two teams in the country. Tennessee men upset Kentucky and Bob Pritchett tells me Franklin Simpson lost to a big talented team last Friday, but Franklin is loaded with young talent. Gallatin great baseball bar b que and Hall of Fame banquet and last Friday. Portland-honored the late Edgar Johnson at their hall of fame. This is Bill Buntin... get it to me and we reach thousands..thanks for all the kind things you say about Let's Talk Sports. See you on 88.5 fm and on line for the next Pioneer home game..remember call or email if you have bb items to sell, trade or you need to buy something at a good price..It's the Country Trader that can help..happy 2018..this is Bill Buntin thanks for being here.
