Welcome all to Let's Talk Sports here in the paper and on line. Coverups Custom Sewing is our sponsor, and our manager to help you with advertising your business or event is Gwen. Coverups is in Gallatin, but serves all of Middle Tennessee and Southern Kentucky. Now her great work also getting orders from out of state. The best price and beautiful custom work. Now for my fun part...I am Bill Buntin, a sports nut with background in announcing on many levels. First the Southeast Commando Challenge last week here was fun. Right now college baseball driving me nuts keeping up. Pulling for SEC teams, especially Vandy. Congratulations to Mike Wright, well known four sport athlete, played at Vanderbilt, named to Father Ryan Hall of Fame. Married a Portland girl. Goodlettsville adding several more to their Hall of Fame. Many schools doing that now. Tsunami gets fun basketball transfers. Billy Bones, famous WSIX Radio personality, new owner of minor league pro football team. Donny Schwyz wins big race at fairgrounds in Nashville, edging out fan favorite Tony Stewart. Beech great, Danny Ahimeyer, named top Cross Country high schooler in Tennessee. Bob Prichett enjoying summer sports and trying to get superstar grandson, a three sport star, back healthy. Golden State and Toronto in a heated MBA final series. Lots of battles on the court and in the press. Dan Barber media man has superstar Ethan, who plays for Gallatin High, also in summer traveling league. Glad that Miles Wanstrath will be trying to make the Green Wave baseball team this fall. He visited Tommy Crafton last weekend catching about twenty nice size bass. I watched as he carefully turned them all back to the calm waters. Super fishing now near Carthage and in Scottsville, Kentucky. I understand Bowling Green Hot Rods, pro baseball bunch, doing well with big crowds. Speaking of big crowds, Vanderbilt great baseball stadium. Portland native Bob Dorris and wife Brenda spent a week in Hoover, Alabama for SEC tourney. The Lady Vols softball team good season. Coach Barnes basketball added two big men and a top guard. Could play early after losing some great ones from fantastic team from last season who could have been seconds from a national title. Of course, loaded up again after losing only a couple of players. Vol State and coach Rusty Melvin trying to raise traveling money for one of the best summer college basketball events. Help them out if you can. Dewayne Alexander, head football man at Tennessee Tech adding several local names to his staff. New ladies softball field in Gallatin is very, very nice. Another Satterfield takes head football job at Trousdale County. Other coaches changes we will pass along closer to football time. All towns, White House, Portland, Lafayette, Mt Juliet, Lebanon, Hendersonville, Gallatin, all hot in baseball on all levels. Our best to Gallatin director TC Carter. He is a great leader fighting some health issues. If you have anything sports wise...players, teams, towns. Just let us know. I am BillBuntin and this is Let's Talk Sports in the Country Trader, serving all of Middle Tennessee and Southern Kentucky. Thanks for the comments.

### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
