*Nothing can make a home or business look better than a custom
pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello dear friends. I am Bill Buntin and Let's Talk Sports, here in the Trader and on line (www.countrytraderonline.com). If you will tell us about your town, players, teams, we will pass it on to all of Middle Tennessee and southern Kentucky. It's brought to you by Pat of Coverups Custom Sewing... bed spreads, pillows, coverlets, or alterations and Pat will pick up and deliver.

Gwen will assist you with your business or event advertising here in the Country Trader, and you can submit your ads online anytime at www.countrytraderonline.com

I am Bill Buntin. Bob Prichette tells me Franklin Simpson will host Allen County in Kentucky football playoffs. In a very strange game that started a couple of hours late, Gallatin lost to Summit. The Green Wave gave us a thrilling season with nine wins. Best to Hendersonville, Beech, Trousdale County, and other area football teams. The Tennessee Vols best Kentucky in a last minute thriller. Dewayne Alexander has Tennessee Tech rolling. Middle a winner. Western rolls on. Vandy a tough loss. Hated to see coach Hollingsworth leave Station Camp. In one of the strangest finishes, our Tennessee Titans won on a last two second finish and I said it could get more exciting, Titans best a great Kansas City team on a terrific play! Two games with finishes that Hollywood could not have written a better or unusual end. The Preds playing super hockey. Exciting basketball next with Rusty Melvin and Vol State are in action. Catch their games on super power 88.5 Fm radio. Next week we will catch you up on area teams in football and basketball. One last question. Did you believe LSU over Bama? Chief Don Bandy and Barry Wells still support the Tide. So much sports. Thank you all for supporting our vets this week.

Get your Holiday ads in the paper now! It's big with a Thanksgiving shopping season and of course Christmas!

We want to hear from you now. We are the Country Trader. Locally owned. Call or e mail us today. Want to reach locals?...use the Country Trader...IN PRINT AND ONLINE ALL THE TIME! 615-230-1116 or email gwen@countrytraderonline.com.

WHY PRINT ADVERTISING WORKS FOR YOU.

CALL TODAY FOR PRICING AND TO RESERVE YOUR SPACE!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
