## Lets Talk Sports with Bill Buntin

Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Hi all! Hope it was a great holiday! More to come.

I am Bill Buntin with Lets Talk Sports. Brought to you by Coverups Custom Sewing. Bedspreads, coverlets, pillows, alterations....Pat is great. She is in Gallatin, but covers all of Middle Tennessee and Southern Kentucky. Pick up and delivery available. Gwen, here at the Country Trader, can assist you with your business or event advertising and you can place your ads on our website anytime....[www.countrytraderonline.com](http://www.countrytraderonline.com). We reach thousands, so let Gwen help you with your marketing now and in the new year....2020!

Now for Let's Talk Sports. How about the thrilling Titan win over Indy! That's five wins straight for our Nashville pro team. Western Kentucky bests MTSU. Tennessee Tech and Austin Peay great football years. Have you seen a more thrilling game than Auburn and Bama?! I know my good friend Barry Wells and more, including the Gallatin police chief, announcer Greg Aired, yep, big Bama support folks. Now William Luke Wanstrath yells for Auburn. The Big Orange folks excited after finally beating Vandy. And on a thrilling weekend it appears that Coach Barnes using young guys will be competitive in Big Orange basketball. Belmont and Lipscomb both loaded. Kentucky young but strong. Western always good.

In high school, watch the Gallatin Green Wave guys and gals. Beech tough, so is Mt Juliet. Portland girls tall and talented.

Our pro hockey Preds up and down, but it is early yet. Rumors of a new big time baseball team. Pro soccer stadium and race track all talking now.

Trousdale County loss cost them a football title and sports lost a good announcer, and I lost a friend with the passing of Wardean Perdue in Macon County.

Lots of holiday tourneys coming and Rusty Melvin of Vol State return to a play. No charge to catch good action. I am Bill Buntin... thanks for the kind words. Let's Talk Sports.

## WHY PRINT ADVERTISING WORKS FOR YOU.

**LET THE  
TRADER HELP  
YOU MARKET  
YOUR  
BUSINESS IN  
2020!**

*Print Advertising  
reinforces your  
social media,  
website, radio and  
television  
advertising and our  
readers will keep it  
for future  
reference.  
It also reaches customers  
who are without internet  
access or don't use  
social media.*

### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
