COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Welcome old and new friends. I am blown away by the number of comments from last week's talk. Anytime you have anything to add about players, coaches, teams, games, or fans, tell me about special sports moments in your lifetime. I am Bill Buntin with Let's Talk Sports. We do it every week in the Country Trader paper and on line. It's brought to you by Pat, who does custom bedspreads, pillows, coverlets and also alterations. Gwen, at the Trader, will help you with advertising your business or event. Remember, you can place **your classified ads on our website anytime! www.countrytraderonline.com. We cover several counties in Kentucky, Tennessee and of course on line. Let's Talk Sports sends out a hearty thanks to all for listening and telling us about your sports moments. My friend and former teammate even put a picture of our Bulldog team from years ago. You know that in the past couple of weeks it's been football talk. The Super Bowl I guess is the biggest sporting event. William Dwight Buntin number two celebrates Kansas City Chiefs winning super Bowl! No sports day bigger than the Super Bowl.**

But the racing folks....cars and horses hold huge events, the World Series, big car races... **and how about golf?! College football and basketball, the National Champs, Vanderbilt** play their national championship is huge news. Soccer is big world wide. Just go to any small town or big city in America and little league games draw thousands...even a little league World Series. Why Bowling Green, Kentucky and Goodlettsville know how great that trip is.

Now let's talk about Macon County and Westmoreland girls teams this year. **Station Camp football got a winner by hiring Brent Alexander, fine player from the Wave, and excellent coach.** Coach David Martin and I did many TV coaches shows together, and recently we talked about Portland. Now we know the Panthers have had many football players move up to colleges. Now tell us all the basketball players who wore the Purple and White and moved on to Basketball in college. Corey Brewer, the big name. The most talked about Five Sports star I remember from our area is Gallatin's great, Eddie Sherlin who is still wearing out the golf courses.

If you want to tell us about somebody from your school or town, send it to billbuntin007@icloud.com. Bob Prichett has a super star potential in Franklin, but currently injured. Dan Barber has a grandson playing for Gallatin baseball. Pro scout already talking. Speaking of pros, the fabulous Jerry Bell, super basketball college player and former big league **player in baseball, will coach Post 17 Baseball this season. The young Lady Vols coming on strong.** The even younger Big Orange boys will be super by years end. Ginger Fritz of Gallatin has a young soccer great. Hope Miles Wanstrath gets healthy for baseball.

Listened to the new Vol State broadcast crew on WVCP. Coach Melvin had a tough schedule this year. The business folk need to help the Pioneers. All other teams have a much bigger budget. Wonderful basketball, baseball, softball places for these young athletes to play. Speaking of money, Western Kentucky and MTSU pouring big bucks on sports. Coach Dewayne Alexander helping Tennessee Tech, including keeping the high school football State Championship games there. Yes, Sumner County will have another new high school in Cottontown. Hello to buddy **Leon Perry. The Westmoreland Perry family had many fine players and coaches.** Excited that baseball is just around the corner. So is softball, soccer, golf, and track. Gallatin all state football player Spencer Briggs signs with UNLV. So much for our kids and adults. No area does it better than Middle Tennessee and Southern Kentucky. Enjoy! Cheer loudly. Lol. **So much more and many more to talk about. Send me anything you want to talk about to billbuntin007@icloud.com. Thanks for the comments and thanks for being my friends. Bill Buntin**

How will you market your business in 2020?

In a time when more and more people are doing their shopping online, it's difficult for small business owners to keep new customers coming through the door. Many turn to social media alone to market their business and some depend on word of mouth referrals.

But what about the hundreds of potential customers who do not shop online or search social media for an item or service they need?

They *want* to pick up a paper and *read* it and *keep* it for future reference.

The Country Trader showcases your business in front of thousands of potential buyers each and every week online & in print at affordable prices.

Print ads reinforce your online advertising and we encourage our readers to 'shop local'.

So, how do you get new customers in your store?

ADVERTISE aggressively with great offers, coupons, and expanded service!

Give buyers incentive to spend their money with you!

The question is not "Can you afford to advertise?"
