So many wonderful sports stories. We started pro soccer off with a bang. 59,000 plus for opening night. A 2 to 1 loss to Atlanta.

Now lots to come about our teams and players. The Lady Vols and the men both huge basketball games. While the Big Orange men feature one of the top teams in the entire USA. Vandy baseball defending national champs. Belmont, Austin Peay, Western Kentucky, all playing great. Vol State Baseball hot. Tennessee to keep ticket prices the same. Congratulations to Red Boling Springs, Trousdale County, Westmoreland, Macon County, boys and girls. Beech girls, White House Heritage. Rene Hudson leads New England college basketball. Preds wins big game with less than one second left. Belmont and Lipscomb playing fine baseball. What a basketball game between Kentucky and red hot Auburn. The win for the big Blue gives them the SEC title. Bob Prichett says that is title number 49 for Kentucky. Ginger Fritz and girls softball looking for great season. Gallatin High Baseball guys loaded with talent., Jack Leiter, a Freshman pitcher, gave up one hit in last game. Many think Vandy has the best pitching staff in the country. Friends tell me former coach Lucian Borders still playing tennis and Ralph Kidd still a whiz table tennis. White House Heritage ladies winning. Mtsu, Western Kentucky great in Spring sports. Scottsville, Allen County playing great. Tennessee Tech head football coach has sons living and helping Baxter celebrate a trip to the state tourney. The SEC tourney in Nashville for the men. New grass put down on the Sounds baseball field. Vol State baseball red hot. Coach Rusty Melvin has had back to back brutal games against much bigger teams. Vol State basketball finished with tough loses. Now it's tournament time. So happy for you Macon County, Trousdale, Smith County, Allen County fans and of course Westmoreland and White House Heritage.

Get on out and support your teams. If you want to talk teams, talk towns, talk players, just me know at Let's Talk Sports in the Country Trader or countrytraderonline.com. Thanks for being with us as we talk sports.

WHY PRINT ADVERTISING WORKS FOR YOU.

LET THE TRADER HELP YOU MARKET YOUR BUSINESS IN 2020!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
