Summer Gun & Supply

A Family-Friendly
Gun Store and
75' Indoor Range

We all are concerned about our current situation, and we support your right to purchase and own firearms.

We do have weapons and ammo to purchase and welcome you to stop by. We also have an obligation to make sure that we keep ammo and supplies on hand to accommodate our members and customers.

We reserve the right to limit quantities of any purchase at our sole discretion. We also reserve the right to limit the number of people in the store at one time. Will try to keep status updated on Facebook. CALL TO CHECK ON THE STATUS OF OUR CARRY PERMIT CLASSES.

Large selection of handguns, shotguns and rifles.

Plenty of ammunition too! **Gift Cert. available!**

Lets Talk Sports with Bill Buntin

Sponsored by

COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.

Ask for Pat!

Hello friends. This is Bill Buntin, and for some time now I have enjoyed talking sports with you. Today is one of the tough ones.

Thanks to Gwen, at the Trader, who not only helps me, but is available to help you with your ads in the paper and on line. The Trader is still accepting ads by email gwen@countrytraderonline, and on the website www.countrytraderonline.com. We may have to go to a online version next week, will keep you posted on our Facebook page.

With the world now facing the biggest crisis ever, we humbly say a prayer for all. A special thanks to Pat, who helps with the column and working all the time in the Coverups Custom Sewing work shop doing custom pillows, coverlets, bed spreads and more. Pat is a big sports fan. Coverups serves all of Middle Tennessee and Southern Kentucky.

With the closing of all sports because of this terrible virus, let's look at the local high school teams that have had great football and basketball seasons and also local soccer, softball, golf, tennis players and teams to please keep their heads up. Believe we can and will find a cure. To the college coaches like Rusty Melvin at Vol State, Coach Dewayne Alexander at Tennessee Tech, to our head baseball coach at Cumberland who just lost his home to that terrible tornado, to the many fine people in Nashville, Mt Juliet, Wilson County, to Putnam County, Cookeville, let us pray together for each other.

To the fans, the moms and dads of little league baseball, softball, soccer, fishing.... all we have to offer to the young and not as young, stay together. Show the world and lead the entire world in the toughest times that modern man had ever known.

Lord help and protect us .. I hope the next time we gather here in the Country Trader and on line that we will be blessed with an answer and we again can talk sports. From Gwen, Pat, and me, Bill Buntin, you and those special to you...God Bless

WHY PRINT ADVERTISING WORKS FOR YOU.

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference. It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
