PLACE YOUR AD ONLINE ANYTIME!

"I can't afford to advertise"

In a time when our businesses are trying to recover from weeks of being closed, it's hard to think about spending money on advertising. Many turn to social media alone to market their business and some depend on word of mouth referrals.

But what about the hundreds of potential customers who do not shop online or search social media for an item or service they need? They want to pick up a paper and read it and keep it for future reference.

The Country Trader showcases your business in front of thousands of potential buyers each week

ONLINE & IN PRINT at affordable prices.

Print ads reinforce your online advertising and we encourage our readers to 'shop local'.

So, how do you get new customers back in your store?

ADVERTISE aggressively with great offers, coupons, and expanded service! Give buyers incentive to spend their money with you!

The question is not "Can you afford to advertise?" The question is "Can you afford not to?"

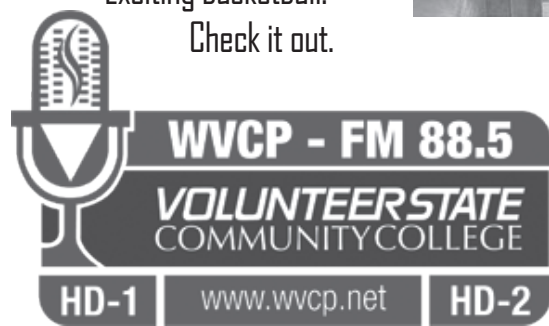

We are discounting our advertising rates for new customers during the month of June to help you get your business back on track.

Your ads will be seen in print, on our website, and on our Facebook page.

Email gwen@countrytraderonline.com for information and to reserve your space.

Lets Talk Sports with Bill Buntin

COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello friends. Thank you so much for checking us out on-line and in print in The Country Trader. I am Bill Buntin, working for Gwen McReynolds, my manager, and sponsored by Pat, owner and talent at Coverups Custom Sewing. Pat does it all; bedspreads, coverlets, pillows, almost any sewing needs you might need. Coverups serves Middle Tennessee and Southern Kentucky.

Now again I am excited to talk with you again. Still depending on who you believe, there is auto racing in Nashville. Some select training by Titan players in hopes of an abbreviated season. Our Preds working on their own. The Sounds baseball team trying to slip in some action. But yet, they were playing young kids baseball in the local park this past weekend. Fishing is still a big item on our local lakes. Swimming pools closed, but golf courses all open. High school football maybe, just maybe, in reduced schedule. The colleges just welcomed athletes back to campus. The Vols expected to be great, returning class healthy, and best recruiting of top stars in many years. Men's basketball at Knoxville returns lots of talent and four new super rated stars on the way. Third best incoming class in the nation. The Lady Vols got four big time super stars on the way...they had three to leave. Vandy baseball got some time on the diamond. TSU to decide on football opening game. It will be played in the hole and not at Nissan Stadium. Western Kentucky loaded. Look at strong basketball for both Lipscomb and Belmont. Cumberland playing it one day at a time. More on that when released. No word to me from Dewayne Alexander at Tennessee Tech, or Middle Tennessee. It is almost day to day on all sports in high school, college, and pro. Just as soon as we are informed we will pass it to you.

We will see a huge fireworks display in Gallatin but no festival...just fireworks.

If you have any type of sports event, just let us know. Let's Talk Sports reaches thousands, so let us help spread the news for your school and fans. I am Bill Buntin thanks again for checking us out in the Country Trader and on line. Be safe and again thank you for the wonderful words about Let's Talk Sports. **Remember you can place your ads online at www.countrytraderonline.com anytime, day, night, weekend!**
