Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Hello and a big Summer time welcome to Let's Talk Sports. I am Bill Buntin, here in the Country Trader and on line as well. Pat, owner of Coverups Custom Sewing is our sponsor. If you have sewing needs, from beautiful, custom bedspreads, coverlets, pillows... then Pat is the one to see...none better. Coverups is in Gallatin and can deliver (and if needed pickup) any place in Middle Tennessee or Southern Kentucky.

We enjoyed a tremendous fireworks show in Gallatin. Now on with what we know about sports. It changes weekly. We did have racing with limited crowds in Nashville. The Titans are careful with workouts. Golfers are out all over Tennessee and Kentucky. Miles Wanstrath with dad and grandpa headed to Mexico Beach fishing despite my objections. As most of you know the Governor is careful of events you can attend. They suggest all should be wearing masks. In Portland, we lost the Strawberry Festival. In many other places events are canceled and people in charge are giving us weekly updates, if there will be updated times. The Sounds have put together some players and are trying to play some baseball. Titans and Preds working out on their own. As to comment on college sports at Vol State, Cumberland, Tennessee Tech, Western, Vanderbilt, the Volunteers, Middle Tennessee, well there seems to be change weekly. During these trying times Austin Peay lost their football coach. The TSSAA trying to get a handle on practice times and game schedules. There is summer youth baseball and softball games. Lots of fishing going on on our lakes. The best I can say is we simply do not know about high school, college, or even sports schedules. We urge you to listen to the experts on practice, games, and rules we will abide by.

The social unrest is a huge factor to face soon. Maybe we can find a cure for all that is a challenge to our world. May you and your family stay safe in every way. Thanks I am always looking for comments. Just let me know. billbuntin007@icloud.com.

COVID-19 HAS NOT GONE AWAY!
Please continue to take these precautions
to protect yourself and your family.

Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet
 (about 2 arms' length)
 from other people.

Cover your cough or sneeze with a
 tissue, then throw the tissue in the
 trash and wash your hands.

When in public, wear a
 cloth face covering over
 your nose and mouth.

Do not touch your
 eyes, nose, and mouth.

Clean and disinfect
 frequently touched
 objects and surfaces.

Stay home when you are sick,
 except to get medical care.

Wash your hands often with soap
 and water for at least 20 seconds.
