## Lets Talk Sports with Bill Buntin

Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Welcome my friends to Let's Talk Sports, right here in your Country Trader and on line as well. I am Bill Buntin and our column is brought to you with Gwen, our manager, and sponsored by Pat at Coverups Custom Sewing. From Custom pillows, beautiful bedspreads, coverlets.... her business serves all of Middle Tennessee and Southern Kentucky with pickup and delivery for all.

We all know it's a trying time. The Virus playing havoc with scheduled events, with problems in the streets, fights about school schedules. Prayers for better times. Nashville and Pigeon Forge area both have had racing. Locals, with youth leading the way, have played some baseball and softball. Bigger Fall tourneys planned. Golfers have found it safe to continue. The great Eddie Sherlin tells me lots of golfers still out playing. Fishing tourneys in our area weekly. The Sounds have cancelled but some baseball planned for the pro park. Titans fans are happy now that they finally signed the great Derrick Henry for a two year contract. Predator hockey now in special games. Fans in this area from Barry Wells and Gallatin Police chief keeping an eye on Alabama football. Just like me, the thousands of Big Orange football fans are so excited that they are picked in top ten in pre season polls. Men's and the Lady Vols basketball both had top five classes coming in. Dewayne Alexander fired up at Tennessee Tech. Cumberland biggest football class in years. Western Kentucky should be good. Vandy with coaches changed in men's and women's basketball. Austin Peay head football coach change after best season in years. High school pushed back start. But we will watch that for changes by the schools and TSSAA. We will watch for reports from Portland, Hartsville, Lafayette, White House, Hendersonville, Station Camp(new football head man), Beech, Goodpasture, Pope John. Gallatin has a couple of coaching changes. We will watch Wilson County new high school (Green Hills). So much still in the air this week. Do cross your fingers. One last thing: Watch for a big boost to the Green Wave and Trousdale County as a huge new company set to build on Hartsville Pike in Gallatin. Remember what happened when the power plant was being built in Hartsville. Thousands moved into our area. Many had kids that were fine athletes. Growth in our area. Keep your ears open. Any comments just send them to Bill Buntin... Again, saying Thank you.
