**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Hello Friends. Hope you all made it thru the storms. The Virus. The violence. Welcome to an escape for a few minutes with Let's Talk Sports. We are in the Country Trader, that covers Middle Tennessee and Southern Ky. plus on line at [www.countrytraderonline.com](http://www.countrytraderonline.com). Country Trader is locally owned by local people you know. I am Bill Buntin, background in radio, TV and print, plus my love of sports. Played basketball, softball on many levels and talking to my friends here means a lot. You can place your classified or business ads online anytime on our website. Pat, our sponsor, will help you for custom bedspreads, coverlets, custom pillows or any sewing needs with pick up and delivery...Coverups of Gallatin. Well not sure have to go with one, but I understand high payed pro athletes will tell all of us to do as they tell us to do or think. I find it hard to believe they will give up those million dollar contracts. No games?? Radio, TV, you will all lose out. Let us see how long it lasts. Is it a political thing because of this election year? The weather has been too hot, stormy, the virus killing thousands. Some person, some group had to be the leaders to stop this madness. Now here's what is happening in high school...Metro cannot play yet. That affects all area schools that cannot play their teams yet. Even college teams have cut and changed their number of games plus practice, plus how many can come to games. Even Gallatin, that normally has the largest crowds, had to cut back. Let us seen how that works. Last week, Gallatin in a rain delay, that is after having to move the game to Thursday. But the young impressive Green Wave best city rival Station Camp and new head coach and former Gallatin star, Brent Alexander. Good coach, better person. Portland winner. Gary and Kaye Leggett daughter now the head coach at East Robertson lost. Trousdale County, with Cheese shouting his approval a winner. Friendship Christian upset. White House and Heritage winners. If you want to tell us about your school just call or message me on Facebook. By the way, got a call Macon County beat highly rated Westmoreland. Bob Pritchett says Kentucky high school play begins this week. Beech another powerhouse. Watch for Goodpature and Pope John to have fine seasons. Again call or write us with your high school team, their games, their players. Bill Buntin hope to hear from you this week about your team. Btw. Listen for big time racing news in Nashville. Another hot rumor is people are trying to bring the tourney that all the super power slow pitch softball teams wanted to come to Hendersonville. Now rumors are they are trying to bring it back. We will watch. Gallatin and Mt Juliet High ready to flex their muscle against each other. Austin Peay plays opening college game for this area season for us with a 72 yard run but loses opening game after exploding start. Big game coming up Gallatin and Mt Juliet. People are hungry for sports since they can't go to the games and tv doing poor job with coverage. Happy that more than ever people are commenting on our Let's talk sports!!! Nashville pro soccer wins last Saturday. Played This Wednesday at home. Go team. U S open Tennis tourney all this week in New York City. East Robertson plays this week at Cad-cade High in Belle Buckle. Former Portland all star quarterback Bubby Simington recovers from surgery on ankle. Beech football ranked 9th, Gallatin 10th after two wins. Eddie Sherlin, Sumner County's all state star in three sports, is now working at Bluegrass Country Club Golf club.

We are the Country Trader and Country Trader on line.

***The importance of adding  
print advertising media to your  
marketing campaign is actually  
a lot more far reaching  
than you might think.  
Print advertising actually  
has the ability to do some of  
the things that almost no other  
type of advertising is able to do.***

1: Newspapers and magazines are kept around for months and  
are convenient to rip out and fold and keep in their pocket or  
hang on their refrigerator until they are ready to use them.

2: Affordable rates and guaranteed readership equals results!  
Don't waste money competing with other content...The Trader  
is 100% advertising!

3: People are constantly being bombarded with advertising on  
their phones, social media pages and television, so they tend  
to ignore advertising altogether. People who pick up a paper to  
read are doing so because they want to, and will be more fo-  
cused and engaged in reading what your ad offers.

4: Most people are more trusting of a business they see in print  
advertising. Print advertising improves the results of other types  
of advertising as people are more apt to remember the ads they  
saw in print.
