Hello Friends. Welcome to a toasty Fall Day in Southern America. Hope you all had a great Labor Day weekend! I am Bill Buntin and would like to talk sports with you. See us in print and online www.countrytraderonline.com. It's sponsored by Pat, owner of Coverups Custom Sewing. Custom bedspreads, coverlets, pillows, beautiful custom work with pick up and delivery. Thanks to all would like to talk about their team. Local phone 615-506-0090. billbuntin007@icloud.com.

So many problems have caused weekly changes in schedules and players. Let me hear from you. Titans make changes and head for Denver. Famous Kentucky Derby runs with no live fans. Big news for Kay and Gary Legette, as daughter now the new football coach at East Robertson, gets big win! Gallatin Green Wave fine win over new Wilson County school, Green Hill, and now huge home game with powerful Mt Juliet. Kentucky high schools now playing. Watertown squeaks by always strong Trousdale County nine to seven. Sumner County schools now will be in classroom teaching.

Got a call from well known basketball great, Colonel Dave Reaves, now in Rutherford County. He dominated the adult leagues here. George Plaster now doing Friday night sports tid bits on 88.7 Fm. Big signal where I did Vol State men and women basketball. Bob Prichett, huge sports fan, says yes. Kentucky high schools are now playing. Army smashed MTSU. John McKinney, former baseball great and announcer on Wave games keeps up on Big Orange. The Vols halted practice but set to open in a couple of weeks. Talked to Leon Perry, who's brother and nephew coach local teams. Leon played at Westmoreland, then Cumberland in Lebanon. Remember that Titan's game is a Monday night. Talked to Vol State men's basketball head coach. Great schedule but a power packed one starts January. Beech football top ten, Gallatin right behind. Always a big game. Heard from former Portland great basketball player Melvin Covington. He was long time principal lower Middle Tennessee high schools. Portland super fan, Tommy Crafton says Panthers really young but talented. Brent Alexander, head coach of Station Camp was All State at Gallatin high. Talked with Tommy Head who played lots of baseball here in Summers. Married Westmoreland beauty and fine basketball player, Deloris Brown. Tommy's sister was the late, great, Tennessee Lady Vols Hall of Fame great, Pat Head Summit. Dewayne Alexander, Tennessee Tech head man, now has a coach in the family.

All time great and pro player Eddie Sherlin helping with golf at Blue Grass in Hendersonville. How many of you know Steve Fann was excellent basketball ace in McMinnville? Call or write us about your favorite town team or player.

***The importance of adding
print advertising media to your
marketing campaign is actually
a lot more far reaching
than you might think.***

***Print advertising actually
has the ability to do some of
the things that almost no other
type of advertising is able to do.***

1: Newspapers and magazines are kept around for months and are convenient to rip out and fold and keep in their pocket or hang on their refrigerator until they are ready to use them.

2: Affordable rates and guaranteed readership equals results! Don't waste money competing with other content...The Trader is 100% advertising!

3: People are constantly being bombarded with advertising on their phones, social media pages and television, so they tend to ignore advertising altogether. People who pick up a paper to read are doing so because they want to, and will be more focused and engaged in reading what your ad offers.

4: Most people are more trusting of a business they see in print advertising. Print advertising improves the results of other types of advertising as people are more apt to remember the ads they saw in print.
