Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Hello friends neighbors and players. Glad some have started to play. Welcome to Let's Talk Sports here in the Country Trader and on line at www.countrytraderonline.com. I am Bill Buntin my sponsor is Pat, owner of Coverups Custom Sewing. Pat does custom pillows, bedspreads, coverlets, any type of custom sewing for Middle Tenn and Southern Kentucky with pick up and delivery. If you need help with ads in the Country Trader call the office or place your ad online anytime!

Mt Juliet big win over Gallatin, Trousdale squeaks by Gordonsville, Portland tough loss. Our lady coach at East Robertson go down to a tough Beech in a battle over Hendersonville. Station loses tough. Former Gallatin coach Don Porter has a grandson that is big and fast and had three touchdowns for red hot Friendship. Pope John Paul one of the top teams in Tennessee. Bowling Green, the power in Kentucky, big win. Bob Prichett tells me Franklin Simpson opens this week with a fine team..looks like there is lots of talent in White House and Heritage.

Schedules still all over the place because of the terrible virus. Davidson County schools now can start play. Middle Tennessee State hopes for better play after a great day in tough loss to Army. Austin Peay starting slow. No games in any fall sports at Cumberland or for Vol State. The Big Orange planning soon. Vandy football later. No tailgating for schools like Tennessee Tech. Limited number of seats in many high schools and colleges. Even our Tennessee Titans limited seating. While Predators must wait. But our pro soccer group pick up any impressive win. Be sure to check your school about parking, seating, schedules. Radio and tv and print trying their best to keep you up on sports. But there are many changes depending on weather and the Virus. We wish the best and safety for your family and friends. To reach hundreds, call or go on line to place your ad in the Country Trader. And for sewing needs, it is Pat at Coverups in Gallatin. Good luck all. I am Bill Buntin wishing the best for all.

Watch next week as we visit with some of the best sports minds in this area giving their thoughts on some of the best players and teams from the past several years if you would like to add to that send it to me, Bill Buntin: 615-506-0090. billbuntin007@icloud.com.

***The importance of adding  
print advertising media to your  
marketing campaign is actually a  
lot more far reaching  
than you might think.  
Print advertising actually  
has the ability to do some of the  
things that almost no other type of  
advertising is able to do.***

1: Newspapers and magazines are kept around for months and are convenient to rip out and fold and keep in their pocket or hang on their refrigerator until they are ready to use them.

2: Affordable rates and guaranteed readership equals results! Don't waste money competing with other content...The Trader is 100% advertising!

3: People are constantly being bombarded with advertising on their phones, social media pages and television, so they tend to ignore advertising altogether. People who pick up a paper to read are doing so because they want to, and will be more focused and engaged in reading what your ad offers.

4: Most people are more trusting of a business they see in print advertising. Print advertising improves the results of other types of advertising as people are more apt to remember the ads they saw in print.
