Hello and welcome to Let's Talk Sports in the popular Country Trader and www.countrytraderonline.com. I am Bill Buntin, sponsored by Cover Up Custom Sewing and their owner, Pat. They do beautiful custom sewing for pillows, bedspreads, coverlets, beautiful custom sewing, with pick up and delivery anywhere in Middle Tennessee and Southern Kentucky.

Yes, the Tennessee Titans are playing with a great win over the Vikings (31-30) which now makes them 3 and 0. The Tennessee Volunteers opening with a last play win over South Carolina. Vandy fine game before losing. LSU upset. Auburn over Kentucky. Our pro soccer teams very good, but last game a tie. Pro baseball and basketball playing. Same with soccer. But all teams on high school, college, pro all play with restrictions on crowd size. Vandy has no fans allowed. Congratulation to Gary and Kaye Legette and their daughter the female head coach of East Robertson high school with big win Friday over Jo Byrne. Trousdale County knocks over big rival Macon county, Gallatin Green now back to back last second loses, next this week state ranked Henry County also unbeaten. Bob Prichett tells me big Glasgow pounds Franklin Simpson, White House Heritage over rival Portland, Watertown a powerful team over White House, unbeaten Mt Juliet past Spring Hill in a shut out, Clay County squeaks past Westmoreland, Gallatin in last second loss to Wilson Central was second straight last minute loss. Independence over Hendersonville, Father Ryan squeaks by Green Hill 56 to nothing. Former Gallatin Coach Don Porter big powerful grandson at six two, over two hundred, gets two more touchdowns for top rated Friendship Christian. Just a sophomore and already people are talking major college material. Connie and Donnie live in Gallatin and take in the Friendship games. I have been over and checked the Super Speedway clean up on Wilson, Rutherford county lines. Yes, big time racing is back. Major League Baseball looking at Nashville. Fishing is fine in our area, with tournaments close most weekends. Phoenix boats has a big presence. LSU upset, so is Oklahoma. Austin Peay, Western Kentucky and MTSU trying to get untracked. Cumberland will be working out waiting for conference play. If you have any sports news let us know at billbuntin007@yahoo.com. Thanks to the Country Trader and Cover Ups for the local sports. This is Bill Buntin saying thanks you for joining us!!

WHY PRINT ADVERTISING WORKS FOR YOU.

LET THE TRADER HELP YOU MARKET YOUR BUSINESS THIS HOLIDAY SEASON!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
