Hello friends. Welcome to Let's Talk Sports in the Country Trader and on line as well. Pat, owner of Coverups Custom Sewing, does beautiful custom pillows, bed spreads, coverlets....almost any custom sewing. Pat can handle it, plus pick up and delivery. Coverups serves most of Middle Tennessee and Southern Kentucky. Your ads in the Country Trader handled by Gwen or submit them online anytime on our website: www.countrytraderonline.com.

I am Bill Buntin now with happy news about the red hot Tennessee Titans. Titans win a thriller in overtime! Hottest team in pro football. They will be on the road this week. The Vols and Kentucky exciting last weekend in Knoxville. Kentucky Wldcats rip Tennessee. Vandy game postponed. Alabama looks fantastic over a good Georgia team and Vol fans talking as number one Alabama comes to Knoxville.

In high school play, Dekalb County wrapped up their regional champions title. Macon County lost tough one to big, strong Dekalb County. Trousdale County beat Cascade, Allen County, Kentucky over Warren East. Gary Leggett and wife Kaye saw their daughter's East Robertson team fall to strong Westmoreland. Red Boiling did not play. Macon County junior Tigers are conference champs. Dekalb County volleyball tough. Always fun times when Hendersonville and Gallatin hookup. Tommy Crafton keeps us informed on his purple and white in Portland. Beech strong again and Station Camp and new coach Alexander working hard to get the program where it use to be. Pope John Paul in the running for post season honors.

With virus causing so many changing of dates, players working from this is a challenging year. Austin Peay, Western Kentucky, MTSU, Vandy all juggling players and schedules. What in the world will Basketball schedules look like??

If you have any sports news please let us know so we can spread the word. I am Bill Buntin and we love talking sports with you.

A reminder, the Super Speedway at the Wilson and Rutherford County line will reopen for NASCAR.

Again, congratulation to Connie and Coach Donnie Porter. Gallatin has star at Friendship. Just last week the big, strong running back had three more runs for touchdowns. You will hear his name called on the next level. Stay in touch and we will TALK SPORTS. Best of luck to White House Heritage girls on soccer team in Regionals this week. Nashville pro soccer in town from a game this week.

WHY PRINT ADVERTISING WORKS FOR YOU.

LET THE TRADER HELP YOU MARKET YOUR BUSINESS THIS HOLIDAY SEASON!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
