Businesses are open but some of you still are struggling to get back to normal, so it is crucial for you to let everyone know the status of your business.... your hours, how you are implementing social distancing, what kind of specials are you offering your customers, etc.

As a locally owned, small business, The Country Trader would like to be a part of helping you reach out to regular and potential new customers. We're still in this together and it is important to support each another's businesses during this recovery period. Use social media as a free marketing tool, and use the Trader (in print and online) to reach hundreds of readers in the rural areas that do not have fast internet service or social media accounts.

We are offering discounted advertising rates til the end of the year to help you get your business back on track. Your ads will be seen in print, on our website, and on our Facebook page where we can also place a link to your website or Facebook page. Email gwen@countrytraderonline.com if you have questions or want to reserve your advertising space. Check out our website www.countrytraderonline.com and our Facebook page. Best of luck as we continue to recover together!

RUGER HAWKEYE COMPACT 7-08 bolt action rifle in excellent shape. 16.5 inch barrel. Excellent truck gun with plenty of knock down power. Comes with Nikon P223 scope. Bought this rifle because of Ruger's reputation and the way it handles. I have arthritis in my shoulder and didn't count on the recoil bothering me. It has less than a 308, but more than a 243. I have only put 20 rounds through it. Shoots great. Asking \$700. I have 2 boxes of ammo that go with it. Rifle, scope and ammo package is worth close to a \$1000. I have extra ammo if you want to purchase them separate. Text me at 615-670-0563. Tfn

Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.
Ask for Pat!*

Welcome to Let's Talk Sports. I am Bill Buntin for Gwen, our manager, and for Pat, our sponsor of the show! We are on-line and in print to talk about today's stars, games, and to remember the great ones.

With the election, the Virus, and bad weather, it has been tough on local, college, & pro sports. Our Vol State coaches, including Rusty Melvin and A D Bobby Hudson, looking for basketball to start. Cumberland of Lebanon ready to top off. Others, such as the Big Orange, Hilltoppers of Western, Vanderbilt, TSU, ready to go. Of course now we look first to our pro hockey, the Preds.

Locally, Beech still in the high school football hunt. So are the Jackets of Trousdale County, Watertown. Several of the powerhouse teams of Murfreesboro. The Kentucky Wildcats ladies moving with new head coach. Locally, Bob Prichett will follow both Lady Kats and powerful men's team. So many Big Orange fans like Steve Fann think the men and women's team in basketball are Final Four Material. Fann, former high school star, knows his basketball. Belmont will be very good, Lipscomb and TSU will be fun to follow. We will gather high school highlights, but you can always count on Allen County-Scottsville. I understand White House had talent. We will watch Gallatin and check with Tommy Crafton on the Panthers. Of course Phil Byrd knows talent level in Green Wave Country. Beech usually competitor. Grandson Miles knows much talent at Station Camp. Could Donnie and Connie Star football player be a leader for Friendship? Hockey will be fun and people already talking about major league racing back in our area. Westmoreland loaded with talent, so we will try to keep you up. Hello and congratulation to Carthage-Smith county for a fun year. Keep it up. Franklin Simpson Kentucky, we will watch you. If you want to talk sports, just let us know. I am Bill Buntin reminding you before the holidays start, Pat at Coverups does all custom sewing. Bedspreads, coverlets, custom pillows, serving all the area with pick up and delivery. Decorate for less... use Coverups. Call Pat today !

WHY PRINT ADVERTISING WORKS FOR YOU.

LET THE TRADER HELP YOU MARKET YOUR BUSINESS THIS HOLIDAY SEASON!

Print Advertising reinforces your social media, website, radio and television advertising and our readers will keep it for future reference.

It also reaches customers who are without internet access or don't use social media.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
