Lets Talk Sports with Bill Buntin

COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

Hello, and welcome to Let's Talk Sports in the Country Trader and online (www.countrytraderonline.com). I am Bill Buntin for Gwen, GM of the Trader, and especially to our sponsor, Pat, owner of Coverups Custom Sewing. Pillows, coverletts, bedspreads... great custom sewing in Kentucky and Middle Tennessee with pick up and delivery. Now, I will say they have done it right with the Super Bowl, even this terrible year of the Virus. So many things have to be changed for coverage by radio, TV, and print, and only a certain number of fans could attend this year.

I tried to get athletic director and head men's basketball coach, Rusty Melvin, about how the Vol State Pioneer team did, but no return. Of course the great Eddie Sherlin and I did not get to broadcast the games. They picked up a feed out of Columbia, could not get results.

Baseball, softball ready to start at Vol State. Cumberland starting back with their sports. **Dewayne Alexander and Tennessee Tech football firing up.** Belmont mens basketball best record in the nation. Yep the nation! Tennessee Vols beat a good Kentucky team this week. Bob Prichett, a big supporter of the Blue, thinks they are young, much like Tennessee. The Lady Vols playing well despite game dates changed because of virus. Keep it here as tourneys draw close and we will try to keep up.

Westmoreland and Macon County ladies super team. The Lady Wave of Gallatin young but excellent team. Lebanon tough as well. Trousdale has been suprise to many. Portland teams getting used to new system. Tommy Crafton, big supporter, watching close and watching the virus that has caused harm to Portland community. Beech, Station Camp, lots of talent. Hendersonville reworking system and getting ready for golf and baseball. Fishing teams in high school to start soon.

Super Bowl only allowed 25,000 in because of virus. Millions watching on TV and listening on radio, including our sponsor, Pat, who has son, Will, in Kansas City with close Chiefs connections. Final score, Buccaneers 31, Chiefs 9.

The great Eddie Sherlin, Mr. "do it all" in sports, got in some golf with his son. Robert Dorris, former Portland baseball great, will be back helping Vandy baseball this year. If you have sports news, let us know.

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
