## Lets Talk Sports with Bill Buntin

Sponsored by  
**COVERUPS CUSTOM QUILTING • 615-230-8433**

*Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing.  
Ask for Pat!*

Hello snow birds and welcome to Let's Talk Sports. I am Bill Buntin sports here in Middle Tennessee and Southern Kentucky.

The virus and now the weather have turned game days and start times upside down. The Vol State teams are struggling to play. Coach Rusty Melvin and the Pioneer men are in Columbia. Women wanting to work their tourney in. Huge upset as the Lady Vols upset the USA number two ranked team in South Carolina. What a game. Now the men for Tennessee need to get a hot streak. Kentucky edges Vandy in a thriller for the guys. Vandy baseball heads into the season as the second ranked team in the country. Cumberland and Tennessee Tech start football practice. High schools play short tourney schedules.

Baseball teams here trying to get outside but Mother Nature stopped that. Rumor has another big strong storm lurking off the coast.

Yes, there will be Sounds baseball at that beautiful park and yes, there will be big time racing. Fishing is just around the corner for local and pros in our area. Let us know about your sporting event and we will tell hundreds.

Our program here is sponsored by Pat, owner of Coverups Custom Sewing. Custom pillows, bedspreads, coverletts... any sewing needs. Pat does pick up and deliver, covering all of Middle Tennessee and Southern Kentucky. Thanks for supporting local.

**Well known Radio station owner, writer, and sportsman deep sea fishing in a tourney in Mexico on his boat The Trauma. Good luck.**

Every person talking about total shake up in foot staff changes at Tennessee. Some changes for Titans. Many on high school levels. Keeping our ears open who will be the voices for our local colleges, for the big boys. Of course, always changes in pro football. Any changes in your local team, your college team, your pro team, players, coaches, schedules, any sports news, let us know.

Kentucky big impressive win over the Tennesse Volunteers. Tennessee women and men both tough battles in the conference and then moving on to SEC tourney. Belmont wins the Ovc.

Our hockey greats, the Preds win. Tennessee men's baseball stay hot with wins. Tennessee State loses tough men's basketball contests. Austin Peay edged out in men's basketball. Tennessee lost close one on close call in women's game with Georgia. Dewayne Alexander and his Tennessee Tech football team wins game with Austin Peay. Vandy Baseball guys win. So does Tennessee Women softball team

In closing, our heart is heavy to report the passing of Sylvia Vradenberg, wife and huge supporter of sports, Jerry. Jerry and Sylvia had encouraged hundreds and supported them all. Services were this week in Gallatin.

television  
advertising and our  
readers will keep it  
for future  
reference.  
It also reaches customers  
who are without internet  
access or don't use  
social media.*

### Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

### Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

### Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

### Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

### Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

### Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
