Lets Talk Sports with Bill Buntin

Sponsored by
COVERUPS CUSTOM QUILTING • 615-230-8433

Nothing can make a home or business look better than a custom pillow. We also do spreads and any kind of sewing. Ask for Pat!

Hello friends and fans. Welcome to Let's Talk Sports. I am Bill Buntin and have coached softball, played softball, baseball, basketball, table tennis...love sports, know the friends and foe alike.

Gwen, our manager, will help you with your advertising needs and remember, you can view the Trader online and also submit your ads on our website: www.countrytraderonline.com. Thanks to Pat, owner of Coverups Custom Sewing. Custom pillows, bedspreads, coverlets & more. Sewing by Pat in Gallatin, but covers all of Southern Kentucky and Middle Tennessee with pick up and delivery.

The SEC tourney in Nashville this weekend. Mayor says yes to big time racing at a beautiful new track. And yes, there is racing planned at the Super Speedway on the Wilson/Rutherford county line. Hopefully Beech Bend will be at it again. Tennessee Tech playing football now says Dewayne Alexander, the head man. So is Cumberland of Lebanon, and the Phoenix doing baseball and softball. Calls tell me the great Belmont mens basketball team ready for tourney run after fantastic regular season. Yes, the Sounds will play this season in Nashville. Vol State doing baseball, basketball, and softball now according to athletic director, Bob Hudson. Coach Rusty Melvin and his guys lost a thrilling loss to Columbia by two. Softball and baseball teams and fields look good. Tennessee men and women's basketball now play NCAA tourney. Vols baseball, one of the top teams in the nation, while Vandy baseball looks like potential National Champions. Rocker throwing in the high ninety range. Go Vandy. MTSU hiring new football assistant. We will tell you more about that hire. All high schools have their Spring sports going. Portland super fan, Tommy Crafton, likes the new football staff. Talked with Les Hinton, former basketball star for the Panthers, looks forward to all Spring and Summer sports. All who know Les say he is a fine golfer. The Spring season in Gallatin and Hendersonville shows hundreds are ready to be outside. Charlene and Allen Coker, wonderful people and super players, lost their wonderful mom, a big supporter of sports. Kaye Leggett looks forward to football already, to daughter coaching at East Robertson. Rumors of another national men's slow pitch softball tournament coming to Drakes Creek park. Thank you big Bubba Perry for the hard work. Macon County girls in state basketball tourney.

Tennessee Vols men win 65 - 54. Vols football staff almost complete. Several coaches changed. We will catch you up. We have lost some of our fine coaches and players in various sports, high school, college and professional. Hello to our Kentucky fans. The men are starting to play like they should have all year. Sorry again that the Vanderbilt women in basketball missed most of the entire season. Men had virus issues and played with seven or eight several games. We will try to catch you up on high school players in all sports that have signed for colleges. I have a six three, two hundred pound grandson that can play some baseball, working part time at workout center in Gallatin. Can hit and field. Interested let me know. Not saying he is a player because he is mine, but he is a player. First, third, any outfield. Hits with power. Give me a shout and let's talk if you looking.

What an emotional talk by Tennessee senior saying goodbye to Vol fans. Fulkie thank you!!!!

Vanderbilt supporter Bob Dorris reports Vandy baseball still hot with Lider striking out 14 in the Vanderbilt win. Bye the way, Fulkerson could come back next season if not going pro. Most fans want him healthy and happy and back to him old game where he was so great for the big Orange basketball bunch.

Western Kentucky women over Florida Atlantic. Can you believe it has been exactly one year that the Tenn team had taken the floor in Nashville when they were called back and SEC men's games cancelled.. This year they've moving into playing the second here in Nashville Bridgestone

social media.*

Print Media & Advertising Advantages

Your business can pursue a number of avenues when it comes to promoting your products and services. Advertising can take the form of television or radio spots, placing billboards in high-traffic areas or using the Internet. You can also make use of print advertising, which offers its own set of advantages over other forms of media.

Unlimited Exposure

Print media such as newspapers and magazines allow for unlimited exposure. Unlike television or radio where advertising time is scheduled, prospects have potential exposure to print ads at virtually any time. A newspaper or magazine left on a coffee table can be viewed repeatedly and at the reader's discretion. The reader also has the opportunity to study the ad at his leisure and isn't limited to 30 or 60 seconds.

Non-Intrusive

Print ads are less intrusive than other forms of media. Radio and television ads often interrupt programming which can sometimes be an annoyance. With print media, the prospect has greater control as to when she views the ads, which eliminates interruptions.

Target Marketing

Certain forms of print media allow for a high level of target marketing. Magazines, for example, tend to be highly specialized, so ads can be developed to appeal to a specific readership. For example, companies that manufacture upscale clothing for men can target their ads to publications that appeal to professional males. A manufacturer of fishing gear can place ads in hunting and fishing publications.

Loyal Readership

Print media sources tend to have longstanding, loyal readership. People may read their copy more than once and may keep them for long periods of time. This frequent readership helps reinforce the advertiser's message or even develops an ongoing campaign that may cover multiple issues. Advertising in publications that have been around for many years can also lend credibility to the advertiser.

Position Flexibility

Advertisers usually have a choice as to where they place their ad in the publication. If the budget allows, the advertiser may choose the location that offers the highest visibility, such as the front cover or above the fold. Newspapers also offer the flexibility to choose the desired ad size, such as a full page or quarter-page.
