The question is not **"Can you afford to advertise?"** The question is **"Can you afford not to?"**

Why not try something different to let everyone know the status of your business....  
your hours, how you are implementing social distancing, do you deliver or have curbside service,  
and what kind of specials are you offering your customers, etc.?

As a locally owned, small business, serving the community for over 30 years, The Country Trader would like  
to be a part of helping you reach out to regular and potential new customers.

Use social media as a free marketing tool, and use the Trader (in print and online) to reach hundreds  
of readers in the rural areas that do not have fast internet service or social media accounts  
or those who just prefer to pick up a paper and read it.

We are offering discounted advertising rates to help you keep your business growing.

Your ads will be seen in print, on our website, and on our Facebook page  
where we can also place a link to your website or Facebook page.

Email [gwen@countrytraderonline.com](mailto:gwen@countrytraderonline.com) if you have questions or want to reserve your advertising space.
